

Hi,

We are happy to see you getting on a learning experience by enrolling in a FinShiksha course. As you must be aware there is a FinShiksha Learning Championship going on, an opportunity for eligible students to get Course Certificates, Live Project Certificates and winners get Cash prizes and placement opportunities, subject to process and discretion of the Corporate Partners.

Here are some Guidelines related to the FinShiksha Learning Championship (FLC) 2021

Registration:

- If you are a current MBA student and have enrolled for one of the FinShiksha courses mentioned below, as per your current MBA year, then you are eligible for FLC 2021
- 1st year FLC Courses
 - o Finance Essentials – Banking & Markets
 - o Applied Financial Statement Analysis
- 2nd year FLC Courses
 - o Equity Valuation
 - o Credit Analysis
 - o Investment Banking
- If you have enrolled for any other course or not as per your year of course, then you are not eligible to participate in FLC for that course
- If you are eligible, then just by enrolling (buying) the course you are automatically registered for FLC.
- You do not have to fill any other form or do any other registration for FLC
- You can participate in multiple courses as per your year

Course Study:

- Course content is in form of recorded videos, which you can plan and complete.
- You can access the Course from the "My Courses" section.
- Each Course is divided into **Modules** and so plan to complete the Modules in a sequential manner to build a better understanding.
- Do go through the Course Guidelines document for tips and features you can use for studying the videos.

Scoring for the FLC:

- To have your Course score to be counted for ranking, you need to take the Certification Test and submit the Live Project for the Course within the set deadlines.
- Certification Test will have 70% weightage and Live Project will have 30% weightage.

... Continued to Page 2

Certification Test:

- The Certification tests are administered via a Google Form, and you will receive an email with the link to access the test based on the designated and chosen slot.
- We have an unique way of conducting the Tests, as we believe working on concepts is very important. And we want to keep it as close to real life scenario as possible. So we give you an Open Test for 4 days and you have to submit the Test by the end of the 4th day, by using whatever resources you want to.
- While all resources are available for you to use, the idea is that you yourself apply your thinking while attempting the questions. We believe the best learning happens when you are trying to find solutions to the questions.
- The test would be a mix of objective and subjective questions
- So fix a target as to when you would want to take the test and then plan your completion of the course videos accordingly.
- **Certification Test Slots**
 - **Certification Exam Slot 1: 26th Aug – 29th Aug 2021**
 - **Certification Exam Slot 2: 16th Sep – 19th Sep 2021**
 - **Certification Exam Slot 3: 23rd Sep – 26th Sep 2021**
- You will get an email communication 4 days prior to each slot. You have to acknowledge whether you are taking the Test in that slot. If you agree, then you will be given the Test in that slot.
- You can attempt the Test only once during the Championship period.
- You can always take the Test again, after the Championship ends, till the time you have course access.
- If you have taken the Test already before the start of the Championship, then you can take the Test again in the Championship slots to better your score.
- If you do not get the Test communication 4 days prior to a slot, then write to programs@finshiksha.com

Live Projects:

- All the FLC Courses have a Live Project embedded in it and you get a separate Certificate and have to be completed for getting your score to be considered for ranking.
- You will find the details in a module "Live Project" Module inside this Course.
- Once you have completed watching the videos and are confident of the concepts, start working on the Project.
- **The Live Projects have to be submitted by 25th Sep**
- And yes we are always there to help on the Project work. Reach out to us on programs@finshiksha.com for any doubts you have around the project.
- If you want your Project work to be reviewed by the FinShiksha mentors, then need to **submit the draft latest by 18th Sep, 2021**. Earlier the better, so you have more time to work on it!

So now plan and complete the Course and take the Certificate Test and Live Project and aim for the Championship ranking.

All The Best ! ... Happy Learning!

Team FinShiksha
